## Bugging Meiko

[A/N:] Well, look-y here! My first completed story. Too bad it's barely even half a page. Oh well, I guess. Please enjoy it anyway!

## Bugging Meiko

"Meiko!" Kaito yelled, barging through the door of Meiko's bedroom like he meant to knock it off its hinges. "Did you take my ice cream?!"

Meiko, who head been sprawling on the bed reading, looked up from her novel and pinned the cerulean-haired intruder with a withering look. " Why would I have? I hate ice cream, you know that!"

Kaito smirked. "Oh, you never know. You've always been pretty grabby when you're drunk. Maybe you got confused."

"Fuck you." Meiko growled.

"Swear jaaaaar!" Kaito sang, dancing out of the room and narrowly avoiding Meiko's novel, making impact with the closed door where his face had been only seconds before.

As Kaito shut the door, he managed to catch a last glimpse of Meiko, who was flipping him off. Kaito grinned, marching happily down the hall. It was so fun baiting Meiko. Shame he didn't get as many opportunities as he would have liked.
